¹If any part of your ACIG unit fails within 90 days of the commencement of the warranty, ACIG will furnish without charge, EX Works, Cordele, Georgia, the required replacement part and pay for the labor to replace the part in accordance with the ACIG Flat Rate Labor Guidelines.

²The Suburban Applied Products Standard Warranty includes 5 years for the heat exchanger.

³All functional parts warranty is 5 years for K-12 applied products only

Airxcel Commercial/Industrial Group Limited Product Warranty

Airxcel Commercial/Industrial Group (ACIG) warrants its products to be free from defects in materials and workmanship under normal use to the original purchaser for the period of time in the table below. If any part of your ACIG product fails within 12 months from the date of the original shipment from ACIG, or within twelve months from the date of original start-up but not to exceed 15 months from date of original shipment, whichever comes first, ACIG will furnish without charge, EXW Cordele, Georgia, the required replacement part. The owner must provide proof of the date of the original start-up. The contractor's invoice, the certificate of occupancy, or similar documents are examples of acceptable proof of the date of the original start-up.

Marvair, ICE, Eubank	Suburban Applied Products
90 Days ¹ w/Flat Rate Labor ² <i>(See Marvair, ICE, Eubank Flat Rate Labor Guidelines)</i>	1 Year Parts/Labor – w/Flat Rate Labor <i>(See Suburban AP Flat Rate Labor Guidelines)</i>
1 Year Parts ^{2,3}	5 Years Heat Exchanger
5 Years Compressor ^{2,4}	5 Years Compressor

¹If any part of your ACIG unit fails within 90 days of the commencement of the warranty, ACIG will furnish without charge, EX Works, Cordele, Georgia, the required replacement part and pay for the labor to replace the part in accordance with the ACIG Flat Rate Labor Guidelines.

²All OTR (over the road) applications that are moved from one location to another: Factory Warranty applies up to the point of initial start-up and test at all OEM manufacturing locations or subsequent facility. Once it goes into OTR service, the warranty expires immediately for compressor and sealed system components. This OTR exemption does not apply to relocatable classrooms, construction or office trailers.

³All first year warranty replacement parts shall be shipped Ground only. Expedited shipping is available upon request for additional cost.

⁴All functional parts warranty is 5 years for K-12 applied products only

The responsibility of the equipment owner includes:

1. To operate the equipment in accordance with the manufacturer's instructions.
2. To provide easy accessibility for servicing.
3. To check and reset any circuit breaker(s) and/or disconnect(s) prior to calling for service.
4. To keep the unit clean and free of dirt and containment and replace filters as required.
5. To keep the outdoor coil clean and free of leaves, paper, or other debris.
6. To pay the charges incurred when any of the above have not been done.
7. To pay for repair or replacement of any material or part other than those within the ACIG unit or controller.

ACIG will not be responsible for labor after 90 days, transportation costs, delays or failures to complete repairs caused by events beyond our control (labor hours incurred due to required site-specific training, time waiting to gain access, or extended drive time for remote sites). This warranty does not cover:

1. Any transportation, related service labor, diagnosis calls, filter, driers, refrigerant, or any other material charges.
2. Damages caused by shipping, accident, abuse, negligence, misuse, fire, flood, or Acts of God.
3. Damages caused by operating or staging the unit in a corrosive environment.
4. Damages caused by improper application of the product.
5. Damages caused by failing to perform proper routine maintenance.
6. Expenses incurred for erecting, disconnecting or dismantling the product or installing the replacement part(s).
7. Products not installed or operated according to the included instructions, local codes, and good trade practices.
8. Products moved from the original installation site.
9. Products lost or stolen
10. Consequential damages or incidental expenses including losses to persons, property or business.
11. Modifications to original unit after it leaves the factory, such as breaking into any part of the sealed systems unless authorized in advance in writing by ACIG.
12. Damages as a result of operating as a construction site cooler / dehumidifier.

When service is required, it must be performed during normal working hours (8:00 AM - 5:00 PM) Monday - Friday and must be performed by ACIG personnel or a designated Service Representative. ACIG will pay for non-priority shipping costs of the compressor during the first twelve months of the warranty period. After the first twelve months of the warranty period, all costs of shipment and risk of loss during the shipment of the compressor shall be the responsibility of the owner.

The owner of the product may ship the allegedly defective or malfunctioning product or part to ACIG, at such owner's expense, and ACIG will diagnose the defect and, if the defect is covered under this warranty, ACIG will honor its warranty and furnish the required replacement part. All costs for shipment and risk of loss during shipment of the product to ACIG and back to the owner shall be the responsibility and liability of the owner. Upon written request by an owner, ACIG may arrange for remote diagnosis of the allegedly defective or malfunctioning product or part but all costs for transportation, lodging and related expenses with regard to such diagnostic services shall be the responsibility and liability of the owner.

An owner requesting performance under this Warranty shall provide reasonable access to the allegedly defective or malfunctioning product or part to ACIG and its authorized agents and employees.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY OF ANY PURCHASER OF AN AIRXCEL COMMERCIAL/INDUSTRIAL GROUP HEAT PUMP OR AIR CONDITIONER AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE, TO THE FULLEST EXTENT PERMITTED BY LAW. IN NO EVENT SHALL ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE EXCEED THE TERMS OF THE APPLICABLE WARRANTY STATED ABOVE AND AIRXCEL COMMERCIAL/INDUSTRIAL GROUP SHALL HAVE NO OTHER OBLIGATION OR LIABILITY. IN NO EVENT SHALL MARVAIR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR MONETARY DAMAGES.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE-TO-STATE. Some states do not allow limitations or exclusions, so the above limitations and exclusions may not apply to you.

072019 Rev.7

Airxcel Commercial/Industrial Group Silver Service™ Warranty

Airxcel Commercial/Industrial Group (ACIG) warrants its products to be free from defects in materials and workmanship under normal use to the original purchaser for the period of 15 months from the date of original shipment by ACIG or 12 months from the date of original start-up. If any part of your ACIG product fails within 15 months from the date of the original shipment, or within twelve months from the date of original start-up but not to exceed 18 months from date of original shipment, whichever comes first, ACIG will furnish without charge, EXW Cordele, Georgia, the required replacement part and pay for the related service labor to replace the failed part. The owner must provide proof of the date of the original start-up. The contractor's invoice, the certificate of occupancy, or similar documents are examples of acceptable proof of the date of the original start-up.

The responsibility of the equipment owner includes:

1. To operate the equipment in accordance with the manufacturer's instructions.
2. To provide easy accessibility for servicing.
3. To check and reset any circuit breaker(s) and/or disconnect(s) prior to calling for service.
4. To keep the unit clean and free of dirt and containment and replace filters as required.
5. To keep the outdoor coil clean and free of leaves, paper, or other debris.
6. To pay the charges incurred when any of the above have not been done.
7. To pay for repair or replacement of any material or part other than those within the ACIG unit or controller.

ACIG will not be responsible for labor, transportation costs, delays or failures to complete repairs caused by events beyond our control. This warranty does not cover:

1. Any transportation, related service labor, diagnosis calls, filter, driers, refrigerant, or any other material charges.
2. Damages caused by shipping, accident, abuse, negligence, misuse, fire, flood, or Acts of God.
3. Damages caused by operating or staging the unit in a corrosive environment
4. Damages caused by improper application of the product.
5. Damages caused by failing to perform proper routine maintenance.
6. Expenses incurred for erecting, disconnecting or dismantling the product or installing the replacement part(s).
7. Products not installed or operated according to the included instructions, local codes, and good trade practices.
8. Products moved from the original installation site.
9. Products lost or stolen
10. Consequential damages or incidental expenses including losses to persons, property or business.
11. Modifications to original unit after it leaves the factory, such as breaking into any part of the sealed systems.

When service is required, it must be performed during normal working hours (8:00 AM - 5:00 PM) Monday - Friday and must be performed by ACIG personnel or a designated Service Representative. ACIG will pay for non-priority shipping costs of the compressor during the first twelve months of the warranty period. After the first twelve months of the warranty period, all costs of shipment and risk of loss during the shipment of the compressor shall be the responsibility of the owner.

The owner of the product may ship the allegedly defective or malfunctioning product or part to ACIG, at such owner's expense, and ACIG will diagnose the defect and, if the defect is covered under this warranty, ACIG will honor its warranty and furnish the required replacement part. All costs for shipment and risk of loss during shipment of the product to ACIG and back to the owner shall be the responsibility and liability of the owner. Upon written request by an owner, ACIG may arrange for remote diagnosis of the allegedly defective or malfunctioning product or part but all costs for transportation, lodging and related expenses with regard to such diagnostic services shall be the responsibility and liability of the owner.

An owner requesting performance under this Warranty shall provide reasonable access to the allegedly defective or malfunctioning product or part to ACIG and its authorized agents and employees.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY OF ANY PURCHASER OF AN AIRXCEL COMMERCIAL/INDUSTRIAL GROUP HEAT PUMP OR AIR CONDITIONER AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE, TO THE FULLEST EXTENT PERMITTED BY LAW. IN NO EVENT SHALL ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE EXCEED THE TERMS OF THE APPLICABLE WARRANTY STATED ABOVE AND AIRXCEL COMMERCIAL/INDUSTRIAL GROUP SHALL HAVE NO OTHER OBLIGATION OR LIABILITY. IN NO EVENT SHALL MARVAIR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR MONETARY DAMAGES.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE-TO-STATE. Some states do not allow limitations or exclusions, so the above limitations and exclusions may not apply to you.

05/2019 Rev.7

Airxcel Commercial/Industrial Group Gold Service™ Warranty

Airxcel Commercial/Industrial Group (ACIG) warrants its products to be free from defects in materials and workmanship under normal use to the original purchaser for the period of 27 months from the date of original shipment by ACIG or 24 months from the date of original start-up. If any part of your ACIG product fails within 27 months from the date of the original shipment, or within 24 months from the date of original start-up, whichever comes first, ACIG will furnish without charge, EXW Cordele, Georgia, the required replacement part and pay for the related service labor to replace the failed part. The owner must provide proof of the date of the original start-up. The contractor's invoice, the certificate of occupancy, or similar documents are examples of acceptable proof of the date of the original start-up.

The responsibility of the equipment owner includes:

1. To operate the equipment in accordance with the manufacturer's instructions.
2. To provide easy accessibility for servicing.
3. To check and reset any circuit breaker(s) and/or disconnect(s) prior to calling for service.
4. To keep the unit clean and free of dirt and containment and replace filters as required.
5. To keep the outdoor coil clean and free of leaves, paper, or other debris.
6. To pay the charges incurred when any of the above have not been done.
7. To pay for repair or replacement of any material or part other than those within the ACIG unit or controller.

ACIG will not be responsible for labor, transportation costs, delays or failures to complete repairs caused by events beyond our control. This warranty does not cover:

1. Any transportation, related service labor, diagnosis calls, filter, driers, refrigerant, or any other material charges.
2. Damages caused by shipping, accident, abuse, negligence, misuse, fire, flood, or Acts of God.
3. Damages caused by operating or staging the unit in a corrosive environment
4. Damages caused by improper application of the product.
5. Damages caused by failing to perform proper routine maintenance.
6. Expenses incurred for erecting, disconnecting or dismantling the product or installing the replacement part(s).
7. Products not installed or operated according to the included instructions, local codes, and good trade practices.
8. Products moved from the original installation site.
9. Products lost or stolen
10. Consequential damages or incidental expenses including losses to persons, property or business.
11. Modifications to original unit after it leaves the factory, such as breaking into any part of the sealed systems.

When service is required, it must be performed during normal working hours (8:00 AM - 5:00 PM) Monday - Friday and must be performed by ACIG personnel or a designated Service Representative. ACIG will pay for non-priority shipping costs of the compressor during the first twelve months of the warranty period. After the first twelve months of the warranty period, all costs of shipment and risk of loss during the shipment of the compressor shall be the responsibility of the owner.

The owner of the product may ship the allegedly defective or malfunctioning product or part to ACIG, at such owner's expense, and ACIG will diagnose the defect and, if the defect is covered under this warranty, ACIG will honor its warranty and furnish the required replacement part. All costs for shipment and risk of loss during shipment of the product to ACIG and back to the owner shall be the responsibility and liability of the owner. Upon written request by an owner, ACIG may arrange for remote diagnosis of the allegedly defective or malfunctioning product or part but all costs for transportation, lodging and related expenses with regard to such diagnostic services shall be the responsibility and liability of the owner.

An owner requesting performance under this Warranty shall provide reasonable access to the allegedly defective or malfunctioning product or part to ACIG and its authorized agents and employees.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY OF ANY PURCHASER OF AN AIRXCEL COMMERCIAL/INDUSTRIAL GROUP HEAT PUMP OR AIR CONDITIONER AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE, TO THE FULLEST EXTENT PERMITTED BY LAW. IN NO EVENT SHALL ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE EXCEED THE TERMS OF THE APPLICABLE WARRANTY STATED ABOVE AND AIRXCEL COMMERCIAL/INDUSTRIAL GROUP SHALL HAVE NO OTHER OBLIGATION OR LIABILITY. IN NO EVENT SHALL MARVAIR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR MONETARY DAMAGES.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE-TO-STATE. Some states do not allow limitations or exclusions, so the above limitations and exclusions may not apply to you.

05/2019 Rev.7

Airxcel Commercial/Industrial Group Diamond Service™ Warranty

Airxcel Commercial/Industrial Group (ACIG) warrants its products to be free from defects in materials and workmanship under normal use to the original purchaser for the period of 63 months from the date of original shipment by ACIG or 60 months from the date of original start-up. If any part of your ACIG product fails within 63 months from the date of the original shipment, or within 60 months from the date of original start-up, whichever comes first, ACIG will furnish without charge, EXW Cordele, Georgia, the required replacement part and pay for the related service labor to replace the failed part. The owner must provide proof of the date of the original start-up. The contractor's invoice, the certificate of occupancy, or similar documents are examples of acceptable proof of the date of the original start-up.

The responsibility of the equipment owner includes:

1. To operate the equipment in accordance with the manufacturer's instructions.
2. To provide easy accessibility for servicing.
3. To check and reset any circuit breaker(s) and/or disconnect(s) prior to calling for service.
4. To keep the unit clean and free of dirt and containment and replace filters as required.
5. To keep the outdoor coil clean and free of leaves, paper, or other debris.
6. To pay the charges incurred when any of the above have not been done.
7. To pay for repair or replacement of any material or part other than those within the ACIG unit or controller.

ACIG will not be responsible for labor, transportation costs, delays or failures to complete repairs caused by events beyond our control. This warranty does not cover:

1. Any transportation, related service labor, diagnosis calls, filter, driers, refrigerant, or any other material charges.
2. Damages caused by shipping, accident, abuse, negligence, misuse, fire, flood, or Acts of God.
3. Damages caused by operating or staging the unit in a corrosive environment
4. Damages caused by improper application of the product.
5. Damages caused by failing to perform proper routine maintenance.
6. Expenses incurred for erecting, disconnecting or dismantling the product or installing the replacement part(s).
7. Products not installed or operated according to the included instructions, local codes, and good trade practices.
8. Products moved from the original installation site.
9. Products lost or stolen
10. Consequential damages or incidental expenses including losses to persons, property or business.
11. Modifications to original unit after it leaves the factory, such as breaking into any part of the sealed systems.

When service is required, it must be performed during normal working hours (8:00 AM - 5:00 PM) Monday - Friday and must be performed by ACIG personnel or a designated Service Representative. ACIG will pay for non-priority shipping costs of the compressor during the first twelve months of the warranty period. After the first twelve months of the warranty period, all costs of shipment and risk of loss during the shipment of the compressor shall be the responsibility of the owner.

The owner of the product may ship the allegedly defective or malfunctioning product or part to ACIG, at such owner's expense, and ACIG will diagnose the defect and, if the defect is covered under this warranty, ACIG will honor its warranty and furnish the required replacement part. All costs for shipment and risk of loss during shipment of the product to ACIG and back to the owner shall be the responsibility and liability of the owner. Upon written request by an owner, ACIG may arrange for remote diagnosis of the allegedly defective or malfunctioning product or part but all costs for transportation, lodging and related expenses with regard to such diagnostic services shall be the responsibility and liability of the owner.

An owner requesting performance under this Warranty shall provide reasonable access to the allegedly defective or malfunctioning product or part to ACIG and its authorized agents and employees.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY OF ANY PURCHASER OF AN AIRXCEL COMMERCIAL/INDUSTRIAL GROUP HEAT PUMP OR AIR CONDITIONER AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE, TO THE FULLEST EXTENT PERMITTED BY LAW. IN NO EVENT SHALL ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE EXCEED THE TERMS OF THE APPLICABLE WARRANTY STATED ABOVE AND AIRXCEL COMMERCIAL/INDUSTRIAL GROUP SHALL HAVE NO OTHER OBLIGATION OR LIABILITY. IN NO EVENT SHALL MARVAIR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR MONETARY DAMAGES.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE-TO-STATE. Some states do not allow limitations or exclusions, so the above limitations and exclusions may not apply to you.

05/2019 Rev.7

Coil Coatings Limited Product Warranty

Airxcel Commercial/Industrial Group (ACIG) warrants that its coating is free from defects in materials and workmanship for a period of 3 years from the date of original shipment from the ACIG Distribution Center for complete units or replacement coils.

One or more of the heat transfer coils of this unit have been coated with the "Coating". A unit's coil is defined herein as the heat transfer area up to and including the header but not including, the first solder or braze joint.

The Coating shall comply with composition, formulation and specifications set forth in the published specification sheets developed by the manufacturer of the Coating. ACIG warrants that applications of the Coating shall be of good workmanship and free from defects. This warranty covers the Coating and/or application for a period of three years from the date of original shipment from the ACIG Distribution Center. This Warranty is valid only under and with the following conditions:

- 1) The exposure conditions of the coil have at no time exceeded the limitations set forth in the product specifications;
- 2) ACIG shall accept no liability or responsibility for damages should its products, coatings, or services be used for an unspecified purpose, abused, tampered with or combined with foreign elements, damaged by misuse, improper handling, or used in any manner not originally intended.
- 3) Without limiting the generality of the foregoing, the following terms specifically are not covered by this limited warranty:
 - i) Damage resulting from mishandling by freight carriers,
 - ii) Damage from improper cleaning methods, such as the use of high pressure water or air spray, wire brushes, unauthorized chemicals, or coil cleaners of other abrasive actions or products,
 - iii) Damage from any other intentional or accidental act, or any act of nature, which compromises the integrity of the product or coating,
 - iv) Damage originating internally, such as from corrosive liquids or gases inside the system.
- 4) The warranty registration process has been completed and received by ACIG.
- 5) Inspection/maintenance requirements are performed in accordance with the recommendations using approved chemicals.
- 6) Notice of any failure of the ACIG coating must be presented, in writing, to ACIG within 30 days notice after the defect is discovered. Immediately after submitting such notice, free access shall be given to ACIG or its appointed representative for the purpose of inspection and/or sampling of fin material and/or air sampling. If written notice is not given within one (1) week, and/or access to examine the coil is denied to ACIG or its appointed representative, any claim for breach of this warranty shall be deemed to have been waived, and ACIG shall have NO LIABILITY under this warranty.
- 7) In the event of a coil failure and an ensuing dispute as to the cause of said failure, an electron-microscopic test of a sample of the damaged coil will be employed to resolve said dispute. ACIG will appoint an independent laboratory to be used for this test and the results will be binding.
- 8) Any service performed under this warranty shall not serve to extend the warranty beyond three years from the application date as set forth on the warranty registration form.
- 9) Coils damaged in transit, after the coating is initially applied, or during installation must be brought to the immediate attention of ACIG. At such time, the coating will be repaired at the cost of the customer. Failure to repair the damaged coil will result in the warranty being voided.

An owner requesting performance under this Warranty shall provide reasonable access to the allegedly defective or malfunctioning product or part to ACIG and its authorized agents and employees.

This warranty applies only to products purchased and retained for use within the U.S.A., Canada, and Mexico. This warranty does not cover damage caused by improper installation, misuse of equipment or negligent servicing.

THIS WARRANTY CONSTITUTES THE EXCLUSIVE REMEDY OF ANY PURCHASER OF AN ACIG HEAT PUMP OR AIR CONDITIONER AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE, TO THE FULLEST EXTENT PERMITTED BY LAW. IN NO EVENT SHALL ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR USE EXCEED THE TERMS OF THE APPLICABLE WARRANTY STATED ABOVE AND ACIG SHALL HAVE NO OTHER OBLIGATION OR LIABILITY. IN NO EVENT SHALL ACIG BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR MONETARY DAMAGES.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE-TO-STATE. Some states do not allow limitations or exclusions, so the above limitations and exclusions may not apply to you.

05/2019 Rev.1

Coil Coatings Maintenance and Cleaning Requirements

The following cleaning procedures are recommended as part of the routine maintenance activities for Spray Coated coils. Documented routine cleaning of coated coils is required to maintain warranty coverage under the Airxcel Commercial/Industrial Group Coil Coatings Limited Product Warranty.

WARNING

PRIOR TO CLEANING THE UNIT, TURN OFF AND LOCK OUT THE MAIN POWER SWITCH TO THE UNIT AND OPEN ALL ACCESS PANELS. REMOVE SURFACE LOADED FIBERS.

Surface loaded fibers or dirt should be removed prior to water rinse to prevent further restriction of airflow. If unable to back wash the side of the coil opposite that of the coils entering air side, then surface loaded fibers or dirt should be removed with a vacuum cleaner. If a vacuum cleaner is not available, a soft non-metallic bristle brush may be used. In either case, the tool should be applied in the direction of the fins. Coil surfaces can be easily damaged (fin edges bent over) if the tool is applied across the fins.

NOTE: Use of a water stream (such as a garden hose) against a surface loaded coil will drive the fibers and dirt into the coil, making cleaning efforts more difficult. Surface loaded fibers must be completely removed prior to using low velocity clean water rinse.

PERIODIC CLEAN WATER RINSE

A monthly clean water rinse to remove dirt and debris is recommended for coils that are applied in coastal or industrial environments. It is very important that when rinsing, the water temperature is less than 130°F (55°C) and pressure is less than 100 psig to avoid damaging the fin edges. An elevated water temperature (not to exceed 130°F or 55°C) will reduce surface tension, increasing the ability to remove dirt.

ROUTINE QUARTERLY CLEANING OF COATED COIL SURFACES

Quarterly cleaning is essential to extend the life of a coated coil and is required to maintain warranty coverage. Coil cleaning shall be part of the unit's regularly scheduled maintenance procedures. Failure to clean a coated coil will void the warranty and may result in reduced efficiency and durability in the environment.

For routine quarterly cleaning, first clean the coil with an approved coil cleaner. After cleaning the coils with the approved cleaning agent, use the approved chloride remover to remove soluble salts and revitalize the unit.

A water rinse should be completed after using any chloride remover. Chloride removers are not intended for use as a degreaser. Any grease or oil film should first be removed with the approved cleaning agent.

1. REMOVE BARRIER WITH COIL CLEANER

Soluble salts adhere themselves to the substrate. For the effective use of this product, the product must be able to come in contact with the salts. These salts may be beneath any soils, grease, or dirt; therefore, these barriers must be removed prior to application of this product. As in all surface preparation, the best work yields the best results.

The following cleaning agent, assuming it is used in accordance with the manufacturer's directions on the container for proper mixing (4:1 condensers & 8:1 evaporators) and cleaning, has been approved for use on Airxcel Commercial/Industrial Group Spray Coated coils to remove mold, mildew, dust, soot, greasy residue, lint, and other particulate.

2. APPLY CHLORIDE REMOVER

Apply chloride remover directly onto the substrate. Sufficient product must be applied uniformly across the substrate to thoroughly wet out surface with no areas missed. This may be accomplished by use of a pump-up sprayer or conventional spray gun. Either method will suffice, as long as the entire area to be cleaned is wetted. After the substrate has been thoroughly wetted, the salts will be soluble and it is now only necessary to rinse them off.

3. RINSE

It is highly recommended that a hose be used, as a pressure washer will damage the fins. The water to be used for the rinse is recommended to be of potable quality, though a lesser quality of water may be used if a small amount of chloride remover is added. Check with the chloride remover's manufacturer for recommendations on lesser quality rinse water.

CAUTION

HARSH CHEMICALS, HOUSEHOLD BLEACH, OR ACID CLEANERS SHOULD NOT BE USED TO CLEAN OUTDOOR OR INDOOR COATED COILS. THESE CLEANERS CAN BE VERY DIFFICULT TO RINSE OUT OF THE COIL AND CAN ACCELERATE THE CORROSION ATTACK OF THE COIL AND COATING.

HIGH VELOCITY WATER FROM A PRESSURE WASHER OR COMPRESSED AIR SHOULD ONLY BE USED AT A VERY LOW PRESSURE (LESS THAN 100 PSI) TO PREVENT FIN AND/OR COIL DAMAGES. THE FORCE OF THE WATER OR AIR JET MAY BEND THE FIN EDGES AND INCREASE AIRSIDE PRESSURE DROP. REDUCED UNIT PERFORMANCE OR NUISANCE UNIT SHUTDOWNS MAY OCCUR.

Invoices will be paid in accordance with Labor Allowance Guidelines. Failure to follow these guidelines may result in delayed payment. All overtime work must be approved in advance. Service centers are required to notify Airxcel Commercial/Industrial Group (ACIG) if site travel will exceed 1 hour each way – additional travel time must be approved in advance. Detailed invoices or service tech call sheet/work orders are required to be submitted with invoices for payment. Service techs should document work in detail and include/verify model and serial number of all equipment. The ACIG PO must be on all invoices/work orders. ACIG will provide warranty replacement parts for service calls. Please contact us at 229-273-3636 and speak with the Parts and Warranty Department.

Note: The maximum allowance for R-410A refrigerant is \$18.00 per pound.				GreenWheel Motor	1.5	1.5	
				Belt	1	1	
				Diagnostic Charge	1	1	

This Guideline Is for DOA Service, Silver, Gold, and Diamond Coverage Only

- Hours allowed requiring entry or repair to the refrigerant circuit includes evacuation, drier change, refrigerant and recharge.
- Hours allowed for compressor replacement include evacuation, drier, contactor and/or capacitor change, refrigerant recharge and cleanup.
- Replacement parts should be purchased from Airxcel Commercial/Industrial Group (ACIG). In the event a part must be field supplied, prior approval is required. ACIG will ship replacement parts.
- To avoid multiple site trips ACIG will approve certain components to be supplied from the service truck and replaced or paid for at its discretion.
- ACIG will pay up to 1 hour travel time each way and reserves the right to verify travel distances. ACIG does not pay for more than one technician.
- For repairs requiring multiple trips for part replacement or cleanup, prior approval from ACIG is required.
- The service contractor will assume liability when making trips beyond the initial authorized call without ACIG approval and should not accept customer assurance of coverage.
- Sales tax, where applicable, will be reimbursed to the service contractor.
- All warranty replacement parts will be shipped Ground freight prepaid. Expedited shipping is available by request for additional cost.
- Invoices must be submitted within 30 days of service completion. Invoices submitted after 30 days are subject to non-payment.
- ACIG does not pay for EPA, mileage, recovery, vacuum pump, or vehicle charges.
- Total labor charge is calculated by: a) Up to 1 hour drive time to site + b) 1 hour to diagnose problem + c) The time to repair the problem (see chart above) + d) Up to 1 hour drive time back from site = The total labor time to repair the problem.

Suburban Applied Products Flat Rate Labor Guidelines

Dynaline™

DynaPack™

If a component fails within first 90 days, the manufacture may request the warranty part to be sent in. Only requested parts from the manufacture will need to come back for vendor analysis.

Only **ONE** service call/trip charge will be paid per location although multiple units may be serviced.

Note: The maximum allowance for R-410A refrigerant is \$18.00 per pound.

If the service is not listed contact Airxcel Commercial/Industrial Group (ACIG) Service Department at 229-273-3636 for authorization to repair and to establish a flat rate time. All warranty claims will be paid per the flat rate schedule.

The replacement flat rate time indicated is paid at hourly rates. This includes the time necessary to remove the unit from the wall sleeve, diagnosis/replacement time, gas leak check and test for proper operation.

The following parts require chassis removal from the wall sleeve. Hours

PARTS REPLACED	LABOR HOURS
ROOM AIR MOTOR	.50
ROOM AIR WHEEL OR BUSHING	.50
ROOM AIR CAPACITOR	.40
GAS VALVE	.50
BURNER	.75
TRANSFORMER	.70
PRESSURE SWITCH	.50
EXHAUST MOTOR ASSEMBLY	.30
COMBUSTION CHAMBER ASSEMBLY	2.00

COOLING	LABOR HOURS
CONDENSER MOTOR	.50
CONDENSER FAN BLADE	.40
COMPRESSOR RELAY	.30
COMPRESSOR	2.50
CONDENSER COIL	1.50
EVAPORATOR COIL	2.00
DE-ICE SWITCH	1.00
DRYER WITH PRESSURE SWITCH	1.50

THE FOLLOWING PARTS CAN BE REPLACED WITHOUT REMOVING THE UNIT	LABOR HOURS
LIMIT SWITCH /FLUE LIMIT	.25
MODULE BOARD	.50
THERMOSTAT CONTROL PLATE ASSEMBLY	.25
IGNITER	.25
FLAME PROBE	.25
COMPRESSOR CAPACITOR	.20
CONDENSER CAPACITOR	.20
THERMOSTAT 24 VOLT REMOTE	.25
CO DETECTOR	.40
CO DETECTOR CONTROL BOARD	.25

Airxcel Commercial/Industrial Group Arbitration Procedures

Where Can Any Legal Remedies Be Pursued?

ARBITRATION CLAUSE. IMPORTANT. PLEASE REVIEW THIS ARBITRATION CLAUSE. IT AFFECTS YOUR LEGAL RIGHTS.

- 1) Parties: This arbitration clause affects your rights against Airxcel Commercial/Industrial Group (ACIG) and any of its affiliates or employees or agents, successors, or assigns, all of whom together are referred to below as “we” or “us” for ease of reference.
- 2) ARBITRATION REQUIREMENT: EXCEPT AS STATED BELOW, ANY DISPUTE BETWEEN YOU AND ANY OF US SHALL BE DECIDED BY NEUTRAL, BINDING ARBITRATION RATHER THAN IN COURT OR BY JURY TRIAL. “Dispute” will be given the broadest possible meaning allowable by law. It includes any dispute, claim, or controversy arising from or relating to your purchase of this heating or air conditioning unit, any warranty upon the unit, or the unit’s condition. It also includes determination of the scope or applicability of this Arbitration Clause. The arbitration requirement applies to claims in contract and tort, pursuant to statute, or otherwise.
- 3) CLASS-ARBITRATION WAIVER: ARBITRATION IS HANDLED ON AN INDIVIDUAL BASIS. IF A DISPUTE IS ARBITRATED, YOU AND WE EXPRESSLY WAIVE ANY RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US OR WE AGAINST YOU, OR AS A PRIVATE ATTORNEY GENERAL OR IN ANY OTHER REPRESENTATIVE CAPACITY. YOU AND WE ALSO WAIVE ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.
- 4) Discovery and Other Rights: Discovery and rights to appeal in arbitration are generally more limited than in a lawsuit. This applies to both you and us. Other rights that you or we would have in court may not be available in arbitration. Please read this Arbitration Clause and consult the rules of the arbitration organizations listed below for more information.
- 5) SMALL CLAIMS COURT OPTION: YOU MAY CHOOSE TO LITIGATE ANY DISPUTE BETWEEN YOU AND ANY OF US IN SMALL CLAIMS COURT, RATHER THAN IN ARBITRATION, IF THE DISPUTE MEETS ALL REQUIREMENTS TO BE HEARD IN SMALL CLAIMS COURT.
- 6) Governing Law: For residents of the United States, the procedures and effect of the arbitration will be governed by the Federal Arbitration Act (9 U.S.C. § 1 et seq.) rather than by state law concerning arbitration. For residents of Canada, the procedures and effect of the arbitration will be governed by the applicable arbitration law of the province in which you purchased your unit. The law governing your substantive warranty rights and other claims will be the law of the state or province in which you purchased your unit. Any court having jurisdiction may enter judgment on the arbitration award.
- 7) Rules of the Arbitration: If the amount in controversy is less than \$250,000, the arbitration will be decided by a single arbitrator. If the amount in controversy is greater than or equal to \$250,000, the arbitration will be decided by a panel of three arbitrators. The arbitrator(s) will be chosen pursuant to the rules of the administering arbitration organization. United States residents may choose the American Arbitration Association (1633 Broadway, 10th Floor, New York, NY 10019, www.adr.org), JAMS (1920 Main Street, Ste. 300, Irvine, CA 92614, www.jamsadr.com), or, subject to our approval, any other arbitration organization. In addition, Canadian residents may choose the ADR Institute of Canada (234 Eglinton Ave. East, Suite 405, Toronto, Ontario, M4P 1K5, www.amic.org). These organizations’ rules can be obtained by contacting the organization or visiting its website. If the chosen arbitration organization’s rules conflict with this Arbitration Clause, the provisions of this Arbitration Clause control. The award of the arbitrator(s) shall be final and binding on all parties.
- 8) Location of the Arbitration Hearing: Unless applicable law provides otherwise, the arbitration hearing for United States residents will be conducted in the federal judicial district in which you reside or, for Canadian residents, in the province in which you reside.
- 9) Costs of the Arbitration: Each party is responsible for its own attorney, expert, and other fees unless applicable law requires otherwise. ACIG will pay your share of the fees charged by the arbitration organization and arbitrator(s) beyond the first \$200. Where permissible by law, you may be required to reimburse ACIG for the fees of the arbitration organization and arbitrator(s) in whole or in part by decision of the arbitrator(s) at the discretion of the arbitrator(s).
- 10) Survival and Enforceability of this Arbitration Clause: This Arbitration Clause shall survive the expiration or termination, or any transfer, of the warranty on your unit. If any part of this Arbitration Clause, except waivers of class-action rights, is found to be unenforceable for any reason, the remainder of this clause and the warranty shall remain enforceable. If, in a case in which class-action allegations have been made, the waiver of class-action rights under this warranty is found to be unenforceable with respect to any part of the dispute, the parts of the dispute as to which the waiver of class-action rights have been found unenforceable will be severed and will proceed in court without reference or application of this Arbitration Clause. Any remaining parts will proceed in arbitration.

Airxcel Commercial/Industrial Group Freight Damage Procedures

As of October 2017, you will no longer be required to file a shipping claim with the freight carrier if a shipment is damaged in transit.

Airxcel Commercial/Industrial Group (ACIG) has updated the freight damage policy to the following:

1. Please ***do not refuse the freight***. When freight is refused, it is not automatically or immediately returned to the ACIG Distribution Center. It is rerouted to the closest freight terminal and will remain there until ACIG requests that it be returned. This process alone often requires 4-6 weeks just to get the damaged freight back to our Distribution Center.
2. Have the driver note on the BOL that the shipment has damage and “***accept***” the delivery.
3. Unwrap and inspect the unit(s) to see the extent of the damage. Please take photos and email them with a description of the damage to ACIG at servicewarranty@airxcel.com.
4. Call ACIG customer service to inform us of the damage. At this point, there are two options you can choose:
 - A. ACIG will survey the damage with you and offer the quickest way to repair your unit. If the unit has minor dents and scratches to the panels, we will ship you replacement panels for replacement. All panels can be replaced rather easily. If any assistance is needed, ACIG can offer visual aids. If you do not want to replace the panels, ACIG will have the unit(s) picked up, brought back to the factory, and repaired. This process can take up to 3 weeks.
 - B. If the unit or units have severe damage or any refrigerant system damage such as damaged coils, compressors or broken lines, etc., ACIG will recommend that the unit be picked up and brought back to the factory to be repaired to new condition. This process takes anywhere from 1-3 weeks once the damaged unit or units are received at the ACIG Distribution Center.
